SEED GROWERS GIVE \$15,000 TO HAY EAST - Photo

December 17, 2012.

Left Photo: Ottawa Valley Seed Growers Association director Burt Grundy and president Bruce Hudson join Leeds Grenville MPP Steve Clark and Seed Growers director Keith Lackey as he hands a cheque for \$15,000 to Hay East committee member Wyatt McWilliams on behalf of the association. The presentation took place Dec. 16 during the "Hay... it's Christmas" fundraising event in Kemptville which raised about \$4,000 to help transport feed to drought-impacted farmers in Eastern Ontario. That money and the Seed Growers donation will be matched by the federal government. Flanking McWilliams to the right are Leeds Grenville MP Gord Brown and OFA vice-president Debra Pretty-Straathof.

With the NHL shut down due to a lockout, Alfie got a workout with the Big Rig Brewery team which took on the Senators Alumni.
