PEDIGREED SEED SHOWCASE

A pedigreed seed showcase highlighting the founding principles of the Ottawa Valley Seed Growers Association will be continued in 2023. The goal is to encourage all pedigreed seed growers to remain active in the industry and the OVSGA.

The Ottawa Valley Seed Growers will continue to support the growers of Pedigreed Seed in Eastern Ontario and Western Quebec. Space will be offered to showcase samples of their 2022 seed production. New varieties are encouraged. Open to all Pedigreed Seed Growers who hold a valid Crop Certificate and all lots must meet the requirements of the Seed Act and Regulations. Ottawa Valley Seed Growers will sponsor each exhibit of seed per grower at the current retail value. Seed will then be sold at the Prestigious Pedigreed Seed Auction with proceeds to charity.

Each seed grower exhibit will consist of 3 units of seed and a 2.5 kg sample for display purposes.

Any changes to this prize list will be updated by January 15, 2023 and posted on our web site at www.ottawafarmshow.com and will take precedence over this prize list.

If you have questions, or require more information, contact your county SCIA appointed Director.
