Our Story

Myers Automotive Group is all about Ottawa. Our business is putting people in the vehicles that get them where they want to be, with top-notch sales and service of your favourite brands in new and used cars, trucks, SUVs, and more.

But we do so much more than that. We are the community we serve.

It all started in 1942, when Gordon Myers took over the original General Motors Dealership in

Ottawa, located on Slater Street. As Ottawa grew, so did Myers.

Our 15 dealerships and 3 body shops are rooted in your neighbourhood communities across the city, from Orleans to Kanata, Kemptville, and Manotick.

While our past provides us with a strong foundation, we're always looking to the future. Wherever you live, we're always right there with you.

After all, We're family!

Serving Ottawa, Gatineau, and the Valley for over 75 years

HESSTON
by MASSEY FERGUSON

HIGHER CLASS. HIGHER PERFORMANCE.

The New Hesston by Massey Ferguson® 2370 Ultra HD Large Square Baler.

Everything about the new Hesston by Massey Ferguson® 2370 Ultra HD large square baler is designed for higher capacity, higher density and the highest bale weights in the industry. It has operational characteristics like no other: better pickup at high speeds, enhanced throughput, plus a new 50-stroke-per-minute plunger with the power to deliver 20% higher density — so you speed through more material in less time. The result is the heaviest, densest, most consistent bales you've ever produced. From the world's first Class 8 baler. HESSTON.COM

IT'S TIME FOR A TRACTOR YOU CAN PUT TO WORK
365 DAYS A YEAR.

The new 500-HP Fendt® 1000 is a technological marvel: big, immensely powerful and full of firsts — like a new hydro-pneumatic cab suspension. The first clutch-less, step-less transmission. And the first drive train that powers both axles independently. In short, it's the best year-round tractor we've ever built. And, likely, the best one you'll ever own. WELCOME FROM OVSGA PRESIDENT JEFF WALDROFF

On behalf of the Directors of the Ottawa Valley Seed Growers Association, I invite everyone to visit the 2023 Ottawa Valley Farm Show.

We are all very excited to welcome you back in-person - after a 3-year absence we have missed you! OVSGA Directors, volunteers and staff have been working hard to present you with the quality of show you are accustomed to seeing. Look for our regular features of halls full of commercial exhibits, plus the antique and quilt displays in "Memory Lane". We are proud to showcase the Ontario Agricultural Hall of Fame inductees from Eastern Ontario and present the daily "10 am Talks".

This year, we have added an array of dining opportunities which we hope you will enjoy, from the hot meal in the dining hall to the grilled cheese, ice cream and beverage options as you wander the halls. There will also be the usual canteens and food truck options, plus more places to sit, visit and do business with suppliers and fellow producers.

Thank you to the exhibitors, partners and sponsors who continue to support the farm show and all our other initiatives. Thanks to your support, farm show exhibit spaces are full, the auction has an exciting array of items for bid, and our seed show awards, youth scholarships, seed research support and agricultural community projects will continue.

Join us for the 31st Annual Prestigious Pedigreed Seed Auction with proceeds to the Children's Hospital of Eastern Ontario at the heart of the show, the Court of Honour on Thursday at 1pm. We invite you to bid on the donated items to help raise support for the CHEO children in need. Visit the display of seed, feed and forage winning exhibits. Judging takes place on March 11th and items then come to the farm show for your enjoyment and we look forward to presenting the awards to the 2023 winners after the show on March 25.

To our dedicated board of directors, committee members, volunteers and staff, thank you for your ongoing commitment to the OVSGA. You continue to foster new and creative ideas for our organization. Our 96 years of success is truly a team effort.

We look forward to seeing everyone March 14 to 16, 2023 at the EY Centre in Ottawa!

THE NEXT GREEN REVOLUTION - how Canada feeds the world's growing population, sustainably

Location: Event Hall B

Mohamad Yaghi is RBC's Climate and Agriculture Policy Lead in the RBC Economics & Thought Leadership team. With over a decade of experience in the agriculture and agri-food industry, Mohamad is shaping RBC's research and engagement in the sector to inform and inspire transition pathways across the economy and to push Canada to become the world's sustainable breadbasket. Before joining RBC, Mohamad led the successful market development of an international agriculture service provider in Canada and U.S., founded and led an AgTech start-up, Rakr Inc., that closely worked with livestock farmers across North America and Southeast Asia to promote energy efficient farming practices, and worked in the thought leadership groups at KPMG Lighthouse and GE Canada to propel innovation across Canada.

9:00 AM

KEMPTVILLE COLLEGE ALUMNI REUNION

Location: Ontario Mutuels Dining Hall A

10:00 AM

CURTIS WEBER, North Battleford, Saskatchewan

Presented by FCC

Location: Event Hall B

Curtis Weber has been influencing behaviours and inspiring change in safety globally for 15 years. He comes from Saskatchewan, Canada where the young teen had his life heading exactly where he had always dreamed it would take him, with an opportunity to play Jr Hockey. Instead on his third day of a new job at the age of just 17, Curtis found himself in a battle of life or death as over 40,000 volts of electricity surged through the young teens body. Through this experience, an improbable young man emerged, seemingly unscathed both mentally and physically after all he had been through. Medical experts and therapists marvelled in disbelief at his positive outlook, even in the early days fresh out of his coma.

Curtis has since dedicated his life and career to making real and positive changes, to the way people view safety. Let Curtis take you on his emotional journey that you will never forget, and that Curtis will forever remember.

ELEVATING THE DISCUSSION IN AGRICULTURE

Presented by Scotiabank and the Eastern Ontario Federations of Agriculture

Location: Event Hall B

Peggy Brekveld – Ontario Federation of Agriculture

Gabrielle Ferguson – Rural Ontario Institute

Kelly Daynard – Farm and Food Care Ontario

Heather Watson – Farm Management Canada

Designed as a venue for farmers, industry professionals and visitors to ask questions and share their passion, this panel aims to elevate the discussion of agriculture while exploring current technologies and innovations as well as potential risks or threats. Our panel members are passionate about agriculture and food and represent distinctive levels of leadership. Their current roles and involvement in agriculture promise engaging discussion and networking opportunities.

OVSGA AWARD OF EXCELLENCE

Recognizing Outstanding Achievement in Agriculture

Is there an outstanding individual in your agricultural community? Someone who has gone above and beyond for this business of agriculture? That is the exactly the person for which the OVSGA Award of Excellence has been created.

The Ottawa Valley Seed Growers Association (OVSGA) has been dedicated to supporting the local agriculture community since 1927. OVSGA Directors had an idea – how do we recognize individuals who have had outstanding achievement in agriculture in our community? After some discussion amongst the Directors, and creative work by OVSGA Vice-President Barry Dean, the OVSGA Award of Excellence was born. It is OVSGA's goal that this award grow into a prestigious recognition of agricultural community involvement, dedication and achievement.

The first nominations for this award were received in February 2023. Nominees are being judged on contributions to agriculture in the Ottawa Valley region, and/or beyond to Ontario and Canadian agriculture. Organizational involvement and leadership roles will be considered, as will other honours, awards and accomplishments.

One nomination will be accepted annually from each county or district and must be submitted by the local Soil and Crop Improvement Association or equivalent of Western Quebec. The nominee can be an individual, living or deceased, farm family or agricultural business originating from the Ottawa Valley Seed Growers community of Eastern Ontario or Western Quebec. Individuals who have been inducted into the Ontario Agricultural Hall of Fame are not eligible.

The first annual OVSGA Award of Excellence recipient will be honoured with a unique gate sign at the 2023 Ottawa Valley Farm Show. The Ottawa Valley Seed Growers Association is proud to recognize outstanding achievement in our agricultural community!

MEMORY LANE

Home of Antiques, Quilts and the Ag Hall of Fame

When you visit OVFS23, be sure to take a tour down "Memory Lane" in Hall C-D where you can explore and enjoy things which will bring a memory and a smile.

QUILTS

We all have memories of special people in our lives, and having a keepsake means those memories stay close to our hearts. Quilters have the talent to turn fabric items such as shirts, jeans or children's dresses, into memorable yet useful keepsakes. A quilter's specialty is often the quilted throw or blanket, but pillows or teddies may be the choice. We invite you to visit with some of our local quilters as they work on their special memory projects.

Historically, quilts were often made from whatever was available, such as flour sacks, sugar bags or leftover fabric from garment making. Sustainability was the key word. Visit the display in Hall C-D and see some of the quilts made from whatever was on hand to use at the time.

ANTIQUES

Vintage Iron and Traditions of Eastern Ontario (VITEO) aims to enhance and enable the work of protecting, conserving, restoring and promoting the preservation of artifacts and history related to early life in Eastern Ontario. When you visit the VITEO display, you will step back in history, to a time of different mechanics, tools and machines.

Thank you to VITEO members for sharing your passion with the farming public and supporting the community. The 2023 VITEO collectible toy tractor will be the Case model D. Look for the actual vintage machine on display in the lobby by Hall D, and the collectible version with #1 available for bid in Thursday's Prestigious Pedigreed Seed Auction with proceeds to CHEO.

HALL OF FAME

A new feature at OVFS23 is the Eastern Ontario Agricultural Hall of Fame display. All Eastern Ontario inductees into the Ontario Agricultural Hall of Fame (OAHF) are permanently displayed in the WB George Building at Kemptville Campus. Wanting to ensure the agricultural public be shared information about these inductees, OVSGA created the portable display which you may have seen recently at IPM22. We invite you to visit Hall C and view the display detailing accomplishments of these impressive contributors to Ontario Agriculture.

Hall of Fame

At OVFS 2019, members of VITEO proudly displayed the 1949 Massey Harris 44, owned by Paul Bourbonnais.

31ST ANNUAL PRESTIGIOUS PEDIGREED SEED AUCTION RETURNS TO THE FARM SHOW

The Court of Honour in booth 2529 and 2629 is the place to be at 1pm on Thursday March 16, when the Prestigious Pedigreed Seed Auction returns to the Ottawa Valley Farm Show. Each of the last two years, the Ottawa Valley Seed Growers Association (OVSGA) held its auction online. But we are happy to return to our roots in 2023 with the live auction.

OVSGA lifetime member and a past-president, Jim Arbuckle, established the first charity seed auction in 1992, with the support of pedigreed seed producers donating product. As the auction evolved, other items have been added, including champion sheaves of grain and locally produced and crafted items.

2023 will mark the 31st edition of the Annual Prestigious Pedigreed Seed Auction, with more than \$219,000 donated to the Children's Hospital of Eastern Ontario to date. OVSGA is recognized on CHEO's donor wall as a dedicated community supporter. This year, all auction proceeds and donations will go directly to CHEO's Most Urgent Needs Services.

The foundation of the auction will again be the 10 pedigreed seed lots of soybeans, barley and wheat donated by the generous businesses and growers of the Eastern Ontario Ag Community.

SeCan will sponsor the feature landscape painting by renowned artist Bonnie McQuillan. This painting will be a replica of one of the prize-winning photos of the annual Ottawa Valley Photo Contest. A contemporary artist of rural Ottawa, Bonnie is an alumnus of the University of Guelph's Fine Arts Program and a graduate of the Ontario College of Art and Design. After refining her craft in Florence, Italy, Bonnie has returned to establish her art business in Osgoode and Kemptville where she creates paintings, book illustrations and murals, and hosts workshops and classes. We look forward to auctioning Bonnie's landscape at the upcoming farm show.

Many thanks to Vintage Iron and Traditions of Eastern Ontario (VITEO) who have donated #1 of the Case Model D, their 2023 collectible tractor. Thanks also to Beth Ruiter of Russell's Quilters Barn and Gifts, for donating "Sunset", a 36"x56" quilted wall-hanging handcrafted from Northcott fabrics.

**Better
Farming**

DESERVE THE HARDEST-WORKING FARM MAGAZINE

Better Farming is the professional farmer's trusted source for insight and analysis.

We believe we need to earn your trust every month, with every magazine.

It's our assurance and pledge to Ontario's commercial farmers and the agricultural industry across Canada.

**Better
Farming**

TELL US HOW WE'RE DOING:
Paul.Nolan@BetterFarming.com

continued from page 28

Watch for an autographed Ottawa Senators hockey stick donated by the Friends of CHEO, a forged fire ring and a beautiful painted barn quilt. OVSGA volunteers are committed to ensuring there is something for everybody at the auction, from the VITEO cast iron seat to gift baskets, wool items from the Canadian Cooperative Wool Growers and the live-edge wooden bench.

Farm Show Thursday is the day – come enjoy the call of the auctioneer, bid a little or bid a lot, and support the kids of CHEO. Together we can make a difference!

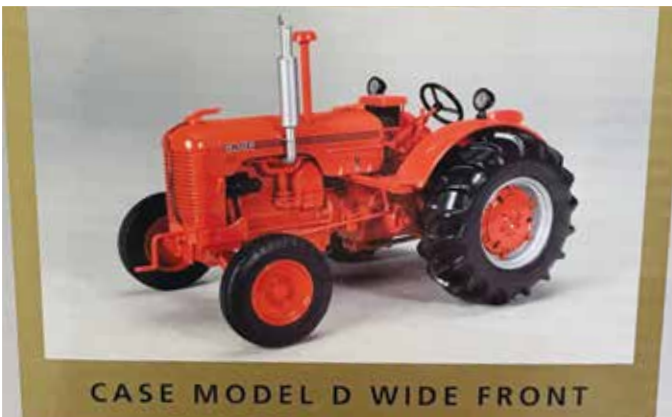

An annual donation to the auction from VITEO.

Look for the Champion Sheaf of Grain from the 2023 Seed Show.

Kathy Hardy, OVSGA Director and Volunteer Auction Coordinator for many years invites you to the Auction.

Thanks to VITEO for donating the #1 collectible tractor

Auction proceeds support the Children's Hospital of Eastern Ontario.

Building a new barn?

Slippery Concrete Floors?

Contractors & Farmers

JJM has constructed a "HEAD" for Stable Cleaners.

- No more double pour on new barns
- Can cut 3-1/2" deep and up to 4" in width

NEW!

3/4 blade width 4" centres diamond cut or one way 3 1/4 centres

Benefits to grooving:

- Ensures footing for walking, mounting and moving around
- Decreases nervousness and injuries

A lot of free stall barn floors have not been cut, they've been stamped when poured
This lasts only 3 or 4 years

JJM CONCRETE GROOVING

WE DON'T SELL THE MOST SOYBEANS.

We offer the most advanced herbicide-tolerant trait available in soybeans. While other retail seed brands make more sales, no one tries to deliver more for growers than Brevant® seeds. Our locally tested Enlist E3™ soybeans provide high-yielding genetics and tolerance to 2,4-D, glyphosate, and glufosinate for control of the toughest weeds in your fields. It's how we work hard to win and keep your business.

Learn more about Enlist E3 soybeans. Visit Brevant.ca

™&® Trademarks of Corteva Agriscience and its affiliated companies. © 2023 Corteva
The transgenic soybean event in Enlist E3™ soybeans is jointly developed and owned by Corteva Agriscience and M.S. Technologies L.L.C.

OVSGA 2022 SCHOLARSHIP RECIPIENTS

Congratulations to the very deserving young people receiving 2022 OVSGA scholarships. The recipients attended the August OVSGA Annual Meeting in Avonmore and shared their stories with our membership. We wish them well in their future educational, community and agricultural endeavours!

OVSGA 1st Vice-President Barry Dean, OVSGA President Jeff Waldroff; Scholarship Recipients - Haleigh-Jo TePlate of Finch, Samantha Hildbrand of St Albert, Tanya Regimbald of Sarsfield, and Arden McWilliams of Navan; OVSGA 2nd Vice President Don Gordon, OVSGA Past-President Robert Dessaint.

SAMANTHA HILDBRAND

Hi, my name is Samantha Hildbrand. I am 19 years old and grew up on a dairy farm in St-Albert where we milk 125 Holstein cows in a robot barn and farm about 750 acres of land. This is my 10th year in 4H. I have participated in multiple clubs including the rabbit, soil and crop, vet, poultry, financial fitness, bread making, fitness and health as well as the dairy 4-H calf club. I have participated in over 60 dairy shows so far including the TD Classic in Toronto. I study at the MacDonald Campus of McGill in Farm Management and Technology (FMT) where I will start my second year at the end of August. In college, I made connections with so many people from the agriculture industry and learned about subjects like farm accounting, soil fertility, animal anatomy, machinery maintenance and much more. For my summer internship, I am working full time on a dairy farm in St-Albert and I also help out at home. The knowledge that I gain over my 3 years of studies will allow me to better understand and improve the practices on the home farm. I am grateful to be a recipient of the OVSGA scholarship. It supports me and allows me to focus on my studies so I can get the most out of the FMT program.

ARDEN MCWILLIAMS

Hello, my name is Arden McWilliams and I'm 19 years old, entering my second year of study at MacDonald College's Farm Management and Technology program. I grew up on our family farm in Navan where we raise Belgian Draft horses and run a cash cropping outfit. I started working on my neighbour's dairy farm, Sunnymead Farms, when I was 13 years old, learning the basics of dairy farming and working with dairy cattle. Since then, I have worked at Edwards Holsteins in Westport, where I have advanced my knowledge of cash cropping and dairy operations. I have been involved in 4-H for 8 years, with the Russell 4-H club. 4-H has given me the opportunity to meet life-

long friends, who have similar interests as I do within the agricultural community. While I have participated in many clubs over the years, a major highlight and accomplishment of mine has been going to the Royal with my 4-H calf, and I am looking forward to representing my club again in the future. After completing my 3 year diploma at MacDonald College, I plan on working in the Eastern Ontario dairy industry. Nutrition is a main interest of mine, as well as continuing on with the family farm and raising Belgian horses. I would like to take a moment and thank the Ottawa Valley Seed Growers Association and Farm Show for this scholarship and opportunity. It is truly appreciated.

TANYA RÉGIMBALD

Hello, my name is Tanya Régimbald, and I am 20 years old. I am entering my third and last year of college at the Institut de technologie agroalimentaire du Québec in Saint-Hyacinthe. I am in the Farm management and technology program with a specialization in dairy production. I grew up on my family's dairy farm in Sarsfield, Ontario, just east of Ottawa. I have always been interested in agriculture and got involved in Russell County 4-H at the age of nine. I have completed over 38 clubs including the dairy calf club, the soil and crop club, the vet club, and so many more. Last summer, I had the pleasure of doing a coop placement on a dairy and cash crop farm in Carleton Place. I have also worked at a neighbouring dairy farm for a few summers.

Along with this work experience, I really enjoy volunteering in my community. Once I graduate college, I look forward to integrating into the family farm by working full-time. While I graduate from college next year, I plan to continue taking specific training courses over the years as I love to expand my knowledge and acquire new experiences. I want to take the time to thank the Ottawa Valley Seed Growers Association for this scholarship. Your generosity and support towards the next generation are part of what makes this industry so great.

HALEIGH-JO TEPLATE

My name is Haleigh-Jo TePlate. I am 20 years old and live on a dairy and cash crop farm with my parents. Earlier this year, I graduated from the Agriculture in Business program at Algonquin College, Perth Campus and in September, I'll be heading out to Olds, Alberta to earn a degree in the Bachelor of Applied Science – Agribusiness program at Olds College. For three years I was crowned Stormont County's Princess of the Furrow and traveled to various International Plowing Matches to compete in the Princess of the Furrow Competition. I love traveling around the world. Some countries that I have traveled to are: Ireland, Dubai, Holland, and New Zealand. I like to sew and to do crafts. I have made many quilts, masks, and other sewing projects. I enjoy sports and have played broomball in the winter and softball in the summer.

I am an active 4-H member having completed 80 projects in homecraft, dairy, beef, plowing club and belong to the Stormont/Glengarry Junior Farmers, the Plowmen's Association and am also a member of the Stormont County Fair Board. I have also been awarded the John Posthumus 4-H Life Skills Award and the Hudson Family Award at the Ottawa Valley Championship Seed, Feed and Forage Show. My dream is to one day, take over my family farm and to continue working part time as a CSW at my current workplace, The Garden Villa Seniors Residence. I would like to thank the Ottawa Valley Seed Growers for your support as I continue my College studies in Agriculture.

OTTAWA VALLEY SEED GROWERS ASSOCIATION SINCE 1927

The Ottawa Valley Seed Growers Association traces back to 1927, after the First World War, when a group of Ottawa Valley farmers banded together with an aim to help one another merchandise their field crops. The OVSGA was formed, and J.H. Findlay of Arnprior was named the first OVSGA President. Together with the help of local agricultural representatives, the group held the first seed fair at Renfrew Collegiate. The introduction of new and better varieties, merchandizing of increased production, and the continual updating of agricultural information were the founding objectives of the Seed Fair, and continue to drive the modern rendition of the show.

The Seed Fair became an annual event, rotating throughout Eastern Ontario and Western Quebec, between the home communities of the association's presidents. It travelled through Almonte, Pembroke, Kemptville, Cornwall, Perth, and many towns in between. It eventually developed into a Championship Seed, Feed, and Forage Show, where exhibitors were required to compete at the county level shows for the opportunity to bring their entries to the next level. Over time, the Championship Seed Show added equipment and trade show components, eventually becoming the Ottawa Valley Farm Show. In 1959, the OVFS settled into Lansdowne Park in Ottawa, where it remained until moving to its current location, the EY Centre in Ottawa, in 2012. OVFS is now Ontario's longest running agricultural trade show with more than 360 exhibitors occupying over 200,000 square feet under one roof.

Today, the OVFS is an extensive tradeshow, bringing together farmers and industry professionals to facilitate networking and sharing of information. The OVFS

Jp2g Consultants Inc.
ENGINEERS • PLANNERS • PROJECT MANAGERS

Building long-term partnerships in

throughout Eastern Ontario

Certified to complete nutrient
management strategies and NASM plans

www.jp2g.com

continues to boast its seed show roots, proudly displaying the Court of Honour at the centre of the show. Days before OVFS, the annual Ottawa Valley Championship Seed, Feed and Forage Show welcomes top entries from all local county seed shows, seeing almost 200 exhibitors enter up to 600 exhibits. Entries are evaluated by a team of judges, and winning entries are then showcased in the Court of Honour along with 4-H field crop and life skills exhibits. The OVSGA recognizes and rewards the achievements of winning exhibitors at the annual Seed Show Awards Ceremony normally held at OVFS.

The OVSGA actively engages in the community through various events throughout the year including the annual Prestigious Pedigreed Seed Sale, now in its 30th year. This auction sale, originally created in 1992 to showcase and sell quality pedigreed seed, now offers a range of pedigreed seed, products, and services.

The modern day OVSGA is a dynamic not-for-profit group, run by a dedicated volunteer board of more than 25 Directors. Directors are farmers and agribusiness representatives from across Eastern Ontario and Western Quebec. Each of the 11 Eastern Ontario counties as well as Western Quebec nominate a county representative, and Directors at Large (Regular and Honorary) complete the board. The association is deeply involved in the community and celebrates and supports many local and

agricultural charitable groups and initiatives, as well as agricultural research, knowledge, education, and advocacy. In addition to those initiatives, the OVSGA is proud to work with volunteers to plan and host the annual Ottawa Valley Farm Show.

The Ottawa Valley Seed Growers Association OVSGA is a loyal member of the Farm Show Council, the Ontario Agricultural Hall of Fame and Farm and Food Care Ontario. OVSGA is dedicated to engaging and supporting the agricultural community through numerous different initiatives across Eastern Ontario and Western Quebec. These include:

- Youth Scholarship opportunities
- 4-H grants to local county associations and field crop and plowing clubs
- Grants to support county seed shows
- Support for community agricultural celebrations
- Grants to Agricultural Societies to support agricultural education programs
- Host training programs for local farm and school community
- Seed Show Judge Training to develop seed, crop, feed and forage judging skills
- Support local community seed, soil, and crop research initiatives

SERIOUS WHEAT

SERIOUS SPRING WHEAT FOR SERIOUS GROWERS

RAVEN

- 113 Yield Index - 5 years!
- Tall variety, lots of straw
- Great Fusarium Tolerance

WILKIN

- Built for high management
- It's short and it stands!
- 108 Yield Index - 5 years

TROPHIES AND AWARDS

Ottawa Valley Championship Seed, Feed and Forage Show

Barclay Dick Challenge Trophy

For the best entry of Red Clover

- 2022 – Bruce & Brian Hudson, Ottawa-Carleton
- 2021 – Bruce & Brian Hudson, Ottawa-Carleton
- 2020 – Bruce & Brian Hudson, Ottawa-Carleton
- 2019 – Murray & Gordon Wilson, Prescott County
- 2018 – Murray & Gordon Wilson, Prescott County

Speare Seeds Plaque

For the best entry of Barley

- 2022 – Rick Hess, Dundas County
- 2021 – Rick Hess, Dundas County
- 2020 – Dave Pemberton, Dundas County
- 2019 – Gary Gordon, Frontenac County
- 2018 – Doug & Wayne Conboy, Lanark County

NK Brand, Syngenta Seeds Award

For the best exhibit of Corn Silage

- 2022 – Merlin & Deb Knapton, Lanark County
- 2021 – Ray Halpenny, Lanark County
- 2020 – Kurtis McRae, Lanark County
- 2019 – Robinson Farms, Grenville County
- 2018 – John Nanne, Lanark County

Ed & Isaac Wallace Challenge Trophy

For the champion Hay exhibit

- 2022 – John & Ryan Devries, Dundas County
- 2021 – Gary Gordon, Frontenac County
- 2020 – Darren McCord, Ottawa-Carleton
- 2019 – Gary Gordon, Frontenac County
- 2018 – Caroline Taylor, Ottawa-Carleton

Hal Botham Memorial Trophy

For the champion exhibitor of Forage Seeds

- 2022 – Bruce & Brian Hudson, Ottawa-Carleton
- 2021 – Winchester Ag Research Station, Dundas County
- 2020 – Murray & Gordon Wilson, Prescott County
- 2019 – Murray & Gordon Wilson, Prescott County
- 2018 – Murray & Gordon Wilson, Prescott County

OVSGA Challenge Trophy

For the champion exhibit of Haylage

- 2022 – Eleanor Robinson, Ottawa-Carleton
- 2021 – Puenter Farms, Dundas County
- 2020 – Spencer & Bruce Hill, Ottawa-Carleton
- 2019 – Gary Gordon, Frontenac County
- 2018 – John, Martin & Pam Westervelt, Dundas County

SynAgri Award

For the champion Ear Corn in the open and 4-H classes

- 2022 – David Chambers, Dundas County
- 2021 – Robert Campbell, Lanark County
- 2020 – Robert Campbell, Lanark County
- 2019 – Quinn Dickson, Ottawa-Carleton
- 2018 – Gary Brugmans, Dundas County

Commonwell Mutual Insurance Group Award

For the best entry in the Pedigreed Seed Auction

- 2022 – Centre de Criblage Marc Bercier – Alise Oats
- 2021 – not awarded
- 2020 – not awarded
- 2019 – Sevita International Pro Seeds – Genesis Soy
- 2018 – Dekalb

OVSGA Special Export Hay 1st Cut

- 2022 – Bruce Paul, Lanark County
- 2021 – Bruce Paul, Lanark County
- 2020 – Gary Gordon, Frontenac County
- 2019 – Murray & Gordon Wilson, Prescott County
- 2018 – John Nanne, Lanark County

New-Life Mills Award

For the champion exhibit in Ottawa Valley in Hay Quality Class

- 2022 – Gary Gordon, Frontenac County
- 2021 – Gary Gordon, Frontenac County
- 2020 – Bruce Paul, Lanark County
- 2019 – Russell Sortberg, Leeds County
- 2018 – Doug & Wayne Conboy, Lanark County

OVSGA Past Presidents' Award

For the County with the most points in open field crop classes

- 2022 – Dundas County
- 2021 – Dundas County
- 2020 – Lanark County
- 2019 – Lanark County
- 2018 – Dundas County

Nation Valley Potato Growers' Association Trophy

For the champion exhibit of Potatoes in the open and 4-H classes

- 2022 – Gary Gordon, Frontenac County
- 2021 – Gary Gordon, Frontenac County
- 2020 – Gary Gordon, Frontenac County
- 2019 – Gary Gordon, Frontenac County
- 2018 – Bruce & Brian Hudson, Ottawa-Carleton

Embrun Agricultural Co-op Trophy

For the champion exhibit of Shelled Corn

2022 – Tibben Farms Inc., Dundas County

2021 – Tibben Farms Inc., Dundas County

2020 – John, Martin & Pam Westervelt,
Dundas County

2019 – Tibben Farms Inc., Dundas County

2018 – Tibben Farms Inc., Dundas County

E.H. Wallace Memorial Trophy

For the champion exhibit of Soybeans

2022 – John & Ryan Devries, Dundas County

2021 – Winchester Ag Research Station,
Dundas County

2020 – Tim Moher, Dundas County

2019 – Bruce & Brian Hudson, Ottawa-Carleton

2018 – Rejean LeClerc, Russell County

C&M Seeds Trophy

For the grand champion Wheat in the open classes

2022 – Spencer & Bruce Hill, Ottawa-Carleton

2021 – Bruce & Brian Hudson, Ottawa-Carleton

2020 – Thomas Haerle, Prescott County

2019 – Tibben Farms Inc., Dundas County

2018 – Tibben Farms Inc., Dundas County

Bennie Vance Memorial Trophy

For the champion Sheaf of Grain in the 4-H
and open section

2022 – Harold & Shelley McPhail, Lanark County

2021 – Joe & Carolyn, Jansen, Dundas County

KUBOTA KNOWS CANADA.

VISIT OUR BOOTH AT THE
OTTAWA VALLEY FARM SHOW

Kubota is expanding to serve Canadian farmers better. Our new head office and distribution centre will take our operations to the next level, while our trusted field teams ensure your farm equipment operates at its best. So whether you need us for new equipment, parts, or technical support, Kubota Farm Solutions will be ready to serve you.

At Kubota, we understand that crop production is a daily challenge, whether you're growing oilseeds, soy, corn or small grains. That's why we provide farm solutions: a 360-degree approach to agriculture, with adaptable equipment that can help increase productivity and lower costs. It takes a lot to get a crop grown: there's soil prep, planting, fertilizing – and that's just the start of the season. So whether you need us for new equipment, parts, or technical support, Kubota Farm Solutions will be ready to serve you.

KEMPTVILLE COLLEGE ALUMNI REUNITE!

The Ottawa Valley Seed Growers Association is pleased to host the Kemptville College Alumni at this year's OVFS. Kemptville College played a significant role in the lives of many farmers and agribusiness in Eastern Ontario and beyond. It is great to see alumni continue to connect through involvement in the agriculture industry and community.

Alumni are invited to share stories, memories and a few laughs while gathering in the Ontario Mutuals Dining Hall A on Wednesday March 15 from 9 to 11am.

A TRADITION OF EDITORIAL EXCELLENCE

Better Farming published its first magazines in November 1999, with a promise to bring farmers the best in ag journalism. As we celebrate our 23th anniversary, we are remembering some of the key stories we have covered for the farmers we are honoured to serve.
