

OVFS24 MOVE-IN SCHEDULE (by booth number)

The move-in schedule is arranged to accommodate the manipulation of machinery and equipment, and the installing of carpet, curtains and furnishings. Please check the floorplan and make arrangements to arrive for set-up on Sunday March 10 or Monday March 11 as assigned.

Only materials which can be carried in your arms may be moved through the EY Centre doors. All wheeled items must be moved through the rear shipping doors of the building. The logistics crew will be available to assist exhibitors with forklifts and tractors to move materials at scheduled times. All exhibitors must be in place by 5pm Monday. After that time, any space remaining available will be filled at the discretion of show management.

No persons under the age of 16 are allowed on the premises during move-in or move-out. The Ottawa Valley Farm Show reserves the right to enforce these regulations for the safety and security of our staff, volunteers, and exhibitors.

The fire and bus lanes at the front of the EY Centre must be kept clear of parked vehicles at all times.

Booth #	Sunday Move-in	Monday Move-in	Dimensions	Exhibitor
1000	Sun 1pm		10 x 10	Farm and Food Care
